

ICCMIT'17: 3rd International Conference on Communication, Management and Information Technology **April 3-5, 2017** in University of Warsaw, Warsaw, Poland

Call for Papers in ICCMIT 2017 Under Special Session

“Modernization in Computer Science and Information Technology (MCSIT)”

Organized By:-

Prof. Chaman Verma, Ph.D
JCD Vidyapeeth
Barnala Road Sirsa (Haryana) India

Objectives and Motivation

The main objective of the special session on “Recent Innovations in Sciences, Management & Technologies (MCSIT)” is to discuss about the technological and scientific development through the ages. The main aim of this special session is to provide platform to all the researchers and academicians from various grounds to get involved in the conference and their contribution of research papers to exchange their views, ideas and research findings about all aspects of recent innovations in Computer Science & Information Technology. It also provides a forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Engineering and Technology. This session looks for significant contributions to all major fields of the **Computer Science and Information technology** in theoretical and practical aspects. It brings together experts from industry, governments and academia, experienced in engineering, design and research. We would like to invite you to contribute to and participate in ICCMIT-2017, which will be held at **University of Warsaw, Poland on April 3-5, 2017**

Topics of Interest:

MCSIT-2016 invites original contribution on all topics related to Computer Science and Information Technology including but not limited to:

- Software Engineering
- Cloud Computing
- Network Applications & Services
- Web Engineering, Web-Based Applications
- Artificial Intelligence
- Digital India
- Information Technology
- Wireless communication
- Big Data and Text Mining
- Next Generation Networks
- Green Computing
- Cryptography
- Cyber Security
- Optimization Algorithms
- Scheduling Algorithms
- Software Testing Techniques
- Robotics
- Open Source Software
- ICT in Management and Sciences

All instructions and templates for submission can be found in the ICCMIT 2017 web site: <http://www.iccmit.net/>. Please, contact the special session organizers if you are planning to submit any paper.

Paper abstract submission:

February 15, 2017

Notification of acceptance:

February 28, 2017

Final paper submission and author's camera ready:

March 7, 2017

Conference Dates:

April 3-5, 2017
