Management and Information Technology

Call for Papers

ICCMIT 2017

Special Session on
"Emerging Technologies & Upcoming Trends in IT for Engineering, Science & Management (ETEM)"

Session Organiser and Chair

Hardeep Singh
Assistant Professor and Head, Department of Training & Placement,
Ferozepur College of Engineering & Technology (FCET), Ferozepur, Punjab INDIA
(MRS Punjab Technical University (MRSPTU), Bathinda, Punjab, INDIA)
Email Id: geniussodhi@gmail.com

Overview

The focal objective of the special session on "**Emerging Technologies & Upcoming Trends in IT for Engineering, Science & Management (ETEM)**" is to discuss about the technological and scientific development through the ages. The main aim of this special session (such a vast area) is to involve all the Engineering Candidates and Management researchers and academicians to get involved in the conference and their contribution of research papers to exchange and share their experiences and research results about all aspects of Engineering and Management. It also provides a forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Engineering, Science and Management. This will provide a forum for the interaction and integration in these related disciplines.

Scope

The scope of this special session is related to the below given topics but not limited to these. The researchers/authors are open to send **UNPUBLISHED GOOD QUALITY RESEARCH PAPERS** apart from the below topics related to the session area:

- Cyber Insurance, Cyber Security, Business Intelligence & IT Security, Ethical Hacking, Alignment of Business and IT Security Efforts, Security Awareness, Big Data Analysis, Data Mining, Natural Language Programming, Biometrics Security, Cloud Security and Privacy, Cryptography, Database Security and Privacy, Distributed Systems Security and Privacy.

- Emerging Trends & Technologies in E-Governance / M-Governance/E-business/E- Commerce/E-Training/M-Commerce, Mobile Computing, Cloud computing, Emerging Trends of IT in Tourism Industry, Impact of IT in Tourism Development, IT and Globalization of Tourism.

- Emerging Trends & Upcoming Technologies of IT in Training & Development, Role of IT in Training & Development, Role of IT and HR Manager in Development of Organization, IT Professionals and Training Staff Coordination, Security Training and Its International perspective, ICT in Training & Development-Challenges and Issues, , Job Satisfaction, IT & Job Evaluation,Emerging Trends & Upcoming Technologies of IT in Human Resource Management, Marketing Management, Finance Management, International HRM.

- Power Engineering and Power Systems, Electromagnetic Compatibility, Energy Conversion, High Voltage Engineering and Insulation, Power Delivery, Power Electronics, Illumination, Control Theory and Applications, Adaptive and Learning Control System, Fuzzy and Neural Control, Mechatronics, Manufacturing Control Systems and Applications, Process Control Systems, Robotics and Automation

- Communication and Signal Processing, Audio-Visual Recording and Storage, Image/Video Coding, 3D Video Representations and Compression, 3D Graphics and Animation Compression, HDTV and DVBT systems, Video Adaptation, Wireless Video Broadcasting and Communication, Visual Surveillance, Video Restoration, Multi-Camera Video Analysis, Motion Analysis, Face and Gesture Processing, Video Synthesis, Architectures for Image/Video Processing and Communication.

- Nanotechnology and Upcoming Careers for Engineers, Communication Skills and Engineering Career, Stress Management, Time Management, English Language and Growth Opportunities in Career, Soft Skills and Career, Role of Social Sites in building Professional Relationships, Fluent English Speaking and International Careers, Role of English Speaking in Upliftment of Career.

Important Dates

Please, contact the special session organizers if you are planning to submit any paper.

Paper Submission Date:	**15 February, 2017**
Acceptance Notification:	**28 February, 2017**
Camera Ready:	**7 March, 2017**
Conference Date:	**3-5 April, 2017**

Important Instructions

- All instructions and templates for submission can be found on the ICCMIT 2017 web site:
  http:/www.iccmit.net/.

- Abstracts and manuscripts should be sent to any of the following email addresses:

geniussodhi@gmail.com with Subject Line:

"**Research Paper for Special Session (ETEM) in ICCMIT 2017 Poland**" from your email.

- Registration Details are available on the following link:
  http://www.iccmit.net/registration17.html
